Give Your Child the Gift of Nature for their Birthday

If you have a child that enjoys spending times outdoors, consider giving a Pringle Birthday Party as a wonderful gift. Our staff will provide a nature activity of your choice for the birthday boy or girl and friends. We offer several Birthday Party themes.

Our Birthday Parties are typically one to one and a half hours in length, depending on which activity you choose, with equal time for cake and presents, etc. We have a refrigerator, freezer, and microwave for your use. We also have plates, silverware, and glasses available at no extra charge.

If you would like to sign up for a Pringle Nature Center birthday party, please call us at (262) 857-8008 or mail us the form.

Birthday Party Options

Senses Treasure Hunt

5-8 years old/\$3.50 per child

Create magical experiences using all of your senses and remembering your experiences by making a scrapbook.

1 hour

Nature Games

5-8 years old/\$3.50 per child

Nature is our playground as we go out and play games outside. Children will learn that it's okay to play outside here.

1 hour

Animal Tracks

4-10 years old/\$4.50 per child

Even though we can't see animals, they leave clues for us behind. Children create a plaster track to take home and then it's off to explore Bristol Woods to look for the clues the animals left us.

1.5 hours

Natural Art

4-12 years old/\$4.50 per child

Nature provides many patterns in which artists have used. We will go out and collect our art supplies to create wonderful nature masterpieces. Projects vary with season and age group.

1 hour

Getting Down with Dirt

4-12 years old/\$3.50 per child

Soil provides an amazing adventure for those who love to get down and dirty. Children will explore what lives in the dirt! Participants will get dirty!

1 hour

Papermaking

8-12 years old/\$4.50 per child

Once you use that paper, don't throw it out, use to make your own paper! Children will make their own paper to bring home and use

1.5 hours

Winter Wonderland

4-12 years old/\$3.50 per child

Come see Bristol Woods in the silence of the snow. Children will explore, learn survival skills, and track animals. Afterwards, hot chocolate to warm everyone up!

1.5 hours

Geocaching

8-12 years old/\$4.50 per child

Play hide and seek with your GPS! This high tech game is very popular sport people like to do. Bring your own GPS or check out one of ours.

1.5 hours

What Lives in a Pond?

8-12 years old/\$4.50 per child

We'll go down to the pond and see what critters like to live there. We'll learn about what lives there by finding out what they are. Participants will get dirty!

1.5 hours

Survival

8-12 years old/\$4.50 per child

Children will learn the basic survival skills they'll need if they get lost. Participants will build shelters in the woods to see if they'll stay dry.

1.5 hours

Bugs and Slugs

5-8 years old/\$3.50 per child

These insects won't bug you as we explore different areas to find various flying, crawling, and wriggling insects to gross your family out. We'll look in the pond, prairie, and forest for all our buggy friends.

1 hour

Snowshoeing

6-12 years old/\$5.00 per child

There must be 4" of snow on the ground. Snowshoeing is a fun way to enjoy winter time along the trails in Bristol Woods with ease.

1.5 hours

Astronomy (StarLab Planetarium Show)

4-12 years old/\$5.00 per child

Be taken away to distant planets or learn about the constellations inside the StarLab inflatable planetarium.
